ABOUT SSP

Established in 2008, we are a 'not-for-profit' organisation that makes a difference to over 60,000 people every year

We work with primary, secondary & special schools to enhance physical education, school sport & physical activity

Over the past four years our school sports programmes have increased to working in over 25 primary schools.

We aim to inspire and motivate young people through high quality activities and events

We aim to support and enhance the work of teachers and support staff with confidence, skills and knowledge to deliver outstanding school sport

“Hull FC have been fundamental in developing our children’s love of sport. Their coaches have worked with every year group from Foundation to Year 6, building strong relationships with our whole school community. The impact of children’s confidence has been tremendous and progress made within the sessions outstanding and our children look forward to Fridays every week”
